REFERENCE

I celebrated my son's 2nd birthday at your center. I used the services of coordinator Anička to decorate the party, the theme was Paw Patrol. My son enjoyed the party and I welcomed the opportunity to have space for myself and my family, because our small apartment would not fit the whole family. A big bonus was that I didn't have to clean up after the party. Thank you very much again for the perfect party. We will look forward to the next party!

Petra H.

We would like to thank you once again for the wonderful celebration, which was perfect. The children were absolutely thrilled and the program was truly divine. ❤️ The animator was also great. Please give her a big THANK YOU.

Zlata H.
